

Satin Suede Smoke

# Traveler

Inspired by footsteps on a path, our Traveler transfer features a stitch-like pattern running horizontally on our Satin Suede hides.

## Features

- Stitch-like pattern
- Applicable on leathers, nubucks, and suedes

|                          |                       |
